

GUEST SPEAKER BIOS

FRED HUTCHINSON CANCER CENTER

Herb Bone, Corporate Treasurer
206.667.5000 | hbone@fredhutch.org

Herbert L. Bone has been Corporate Treasurer at the Fred Hutchinson Cancer Center (Fred Hutch) since 2012. In prior years, he held the Controller position at the Fred Hutch since 1995.

Mr. Bone received his B.A. in accounting and E.M.B.A from the University of Washington. Mr. Bone is a C.P.A. and a CFA Chartholder.

In his current role, Mr. Bone oversees monthly cash flow and endowment investments and monitors the long-term debt structure and compliance including relationships with banks for Fred Hutch.

TD BANK

Raigen Padayachee, Managing Director
972.532.9343 | Raigen.Padayachee@td.com

Raigen joined TD Bank in 2017 after serving as Treasury, Director-Debt & Investments with Baylor Scott & White Health, the largest healthcare system in the State of Texas. At BSWH, he managed the System's \$3.2 billion debt portfolio, \$1.1 billion swap portfolio and the \$600 million private capital investment portfolio.

Previously, Raigen was a Vice President with Banc of America Securities where he served as banker to leading not-for-profit education, research institutes, and other cultural and social service organizations across the Western U.S. Prior to joining BAS, he held a variety of corporate banking roles supporting clients ranging from media & telecommunications to financial institutions at NationsBank, HBW Merchant Banking, and Lehman Brothers.

Raigen holds an MBA from UC Berkeley-Haas, BA from Southern Methodist University and has earned the Chartered Alternative Investment Analyst (CAIA) designation.

THE UNIVERSITY OF ARIZONA

Christopher Pings, Senior Manager
520.621.7735 | cpings@arizona.edu

Chris Pings is the Senior Manager for Treasury Accounting at the University of Arizona in Tucson. Throughout his 12 years at the university, he has seen roughly \$2.3 billion in total issuance including System Revenue Bonds, Stimulus Plan for Economic and Educational Development (SPEED) Revenue Bonds and Certificates of Participation. Chris has had involvement in all aspects of issuance from start to finish including creation of the offering statements, preparation for rating review and due diligence calls, booking of completed financings, claiming proceeds from trustees, project-level arbitrage review, private use tracking, processing debt service payments, federal interest subsidy submissions, annual continuing disclosure submissions, and modeling for future issuances. In addition to debt management, Chris also leads the central fixed asset and endowment accounting groups. Chris has an undergraduate degree in Accounting from the University of Arizona Eller College of Management.

PUBLIC TRUST ADVISORS

Tom Tight, Managing Director
407.588.9391 | tom.tight@publictrustadvisors.com

Tom is a Managing Director for Public Trust where he leads the investment advisory practice. He works closely with clients to provide portfolio strategy solutions based on their unique investment guidelines, cash flows, and risk tolerances. He also serves as a liaison between the client and the Portfolio Management and Credit Research teams. Prior to joining Public Trust, Tom worked at Cutwater Asset Management for ten years where he was responsible for business development nationwide and specialized in public-sector and insurance company asset management solutions.

He also worked in the fixed-income sector for both UBS PaineWebber and A.G. Edwards & Sons where he specialized in fixed-income portfolio management, structured fixed-income products, and public finance transactions. Tom received both a Bachelor of Science in Finance and a Master of Business Administration from St. Louis University. He is a corporate affiliate advisory member for the National Association of State Treasurers, a member of the Government Finance Officers Association, and a member of the State Finance Officers Foundation.
