

SUSTAINABLE FINANCE CONSULTING

BLX is a fintech company registered as a municipal advisory firm to provide consulting and compliance services to the public and non-profit sectors. Founded in 1989, BLX is a subsidiary of Orrick whose Responsible Business practice group delivers climate, product sustainability, human rights and responsible sourcing solutions. Having serviced over 2,500 municipal clients in every State and U.S. territory, BLX professionals have developed streamlined processes and software applications to deliver regulatory compliance solutions on a timely and cost-effective basis.

Services

- Program Design Consultation
- Second Party Opinion
- Management of Proceeds Surveillance
- Impact Reporting
- Voluntary Disclosure

BLX is a Registered Observer of the International Capital Market Association's (ICMA) Green and Social Bond Principles and an Approved Verifier with the Climate Bonds Initiative. BLX's sustainable finance program offers a practical and transparent framework for implementing guidelines established by ICMA. As the market shifts towards greater accountability, BLX's surveillance knowledge helps issuers and borrowers meet investors' disclosure expectations and adds meaning to conventional Second Party Opinions. We provide tailored solutions to address the pressing reporting demands imposed by financial market participants.

How it Works

We deliver our services in 3 simple steps.

1. Consultation –

Call us for a free consultation to discuss your requirements.

2. Discovery –

Our team will interview stakeholders, review the relevant documentation, and synthesize your sustainable finance initiative to deliver the requested services. They will coordinate with your financing team to ensure a successful transaction.

3. Access –

Gain access to our digital platform for the latest findings on your project.
